Camberwell	Surrey Park	PRE GAME	AT GAME	POST GAME

From the ‘Available Players’ list add the relevant players to the ‘Selected Players’ list by selecting the green cross that aligns with their name.

Players can be selected automatically based on whether they played in the previous match in the same competition or if they were registered to the team. This is a fantastic tool to save time, however administrators must be careful to ensure that they do not accidentally select a player who did not participate in the game.

Autoselect Players

- No Auto Select
- Players from previous match in same competition
- Players registered to this team

Note: If a player does not appear in the ‘Available Players’ list they’re either:

- i. not registered, or
- ii. registered with another Club but have not received a permit to play with your Club.

If a player is on the scoresheet but does not appear on the ‘Available Players’ list you should contact your Club Committee immediately, as a team that plays an illegal player risks losing match points.

Manage this Display List

- Show all Club players
- Show Players registered to this team only
- Show Players to this age group
- Show all Financial Club players for Competition Season
- Show all players unassigned
