

## PERMIT FOR JUNIOR PLAYER TO PLAY ABOVE THEIR AGE BRACKET

This form must be completed by a junior's parent/guardian and the Club Personnel listed below if any junior player wishes to compete in another junior game two (2) or more brackets older than their age (e.g U14 playing U18).

Juniors wishing to play only one (1) age group above their nominated age bracket do not need to complete this form. E.g U12 playing U14

By signing this form, the parent/guardian and club is accepting the responsibility for any risk involved in the junior player participating in senior games.

The permit is only valid for one year.

Lacrosse Victoria may at any time during the season revoke a permit should it receive advice of any concerns about the player's capacity to safely continue to participate in senior games.

Further to this, any junior must not play more than two (2) games on any day of competition.

We understand that lacrosse is a contact sport (stick and/or body) and by allowing the above-mentioned child to play in a senior competition, he/she will be competing against adults in non-junior modified competitions. We understand and accept that there may be a significant increase in the level of physical contact and that the player may be exposed to adult behaviours.

By signing this form you are agreeing for the below mentioned player to play in the senior competition for the year of the application.
