

2024 LACROSSE VICTORIA ELECTION

Lacrosse Victoria (LV) has opened nominations for the Directors on the LV Board.

The AGM will be held on Monday 22 April, 2024 and nominations close on Monday 8 April, 2024.

An election kit has been developed by LV to help potential candidates and Affiliated Members (Clubs).

ELECTION KIT

There are four documents that have been created to form an Election Kit. The kit is aimed to help potential nominees decide if they would like to continue with their nomination for the LV Board by supplying the Board Role Description and Code of Conduct. To assist the clubs with their voting responsibilities, each nominee will complete a Nominee Profile. The kit will help both nominees and clubs, and it will be a substantial improvement in LV's election process.

LV would like to welcome all possible nominees who have a passionate commitment to leading the growth of Lacrosse. However, LV is also specifically seeking nominees who have experience or skills in the following areas: Finance and Business, Governance, Communications and Marketing.

LV is an inclusive organisation that supports gender diversity and seeks nominations from people with a broad range of backgrounds including gender, culture and all-abilities.

1. **Nomination Form** – Please complete the form as per the detailed instructions. Return the form to the LV Secretary by 8 April 2024.
2. **Board Role Description** – Describes the roles and responsibilities that are required of the LV Board.
3. **Board Code of Conduct** – This document outlines the behavioural expectations that the Board has committed to at the LV Board Induction.
4. **Nominee Profile** – This document allows each Nominee to share their experiences and skills in a structured format with the voting members of LV. All profiles will be distributed to the Affiliated Members to help determine the merit of each Nominee standing for the 2024 Election. Please complete the Nominee Profile in electronic format and return it with the signed Nomination Form to the Secretary.
