1. APPLICIABLE AGE GROUPS

The rules within this document are to be used for all Lacrosse Together Cup competitions.

2. THE GAME

The Lacrosse Together Cup game is a non-contact team sport played with any standard field lacrosse sticks and a low compression tennis ball. The main object of the game is to outscore the opposing team. Goals are scored by gaining possession of the ball and causing the ball to pass through the face of the goals.

Players should also be encouraged to play with both hands on the stick to prevent dangerous stick swinging. Players should be discouraged from:

- Draw back pickup
- Trapping the ball
- Batting the ball
- Over guarding

3. TEAMS

A team consists of a maximum of three (3) players on the field at any one time. With a recommended team size of 8 to 10 players. There are no offsides with all 3 team members playing offense & defence. Any member of the team can play goalie but only 1 player can occupy the "goalie" position at one time.

Each player will wear the teams' or suitable clothing. Bibs/Sashes can be used in the case of clashing uniforms.

4. GAME DURATION

The duration of the game consists of two (2) periods of 5 minutes for a total game time of 10minutes. There will be a break of a minimum of one (1) minute and a maximum of three (3) minutes. The difference in breaks is at the timekeeper's discretion depending upon playing conditions (i.e. hot weather would necessitate a longer break to allow for water breaks etc)

5. EQUIPMENT

The Crosse must be an approved Sof-crosse stick or a standard approved field lacrosse stick. The ball must be an LV approved low compression tennis ball.

Mouthguards are recommended to be worn

6. FIELD OF PLAY

Field size is recommended to be between 30m x 20m, similar to that of a basketball court. Cone markers can be placed at the four corners of the field, although there is "soft" boundaries, which are called at the officials discretion.

The following markers should be provided:

Centre spot (which acts as the point where halves start) that can be marked with a disc or cones.

Goal Circle – 3 meters' radius that can be marked with cones.

7. BOUNDARIES

The area of play is marked by cones. Play should be as continuous as possible. When the ball goes 'out of bounds' or is trapped (in fencing, for example), then the nearest player takes possession of the ball. Everyone else must be 1 metre away. And everyone must stand at least 1 metre from the boundary.

8. THE GOALS

The goals are recommended to be 1.8 meters pop up goals placed securely fastened to the ground, at either end of the playing area.

9. MATCH OFFICIALS

There is to be a minimum of one (1) official per match, which can be a volunteer, coach, official, or any other qualified person.

The official is encouraged to talk to the player's explaining any rule infringements andgenerally be positive about their efforts. On field coaching is also allowed by the official. They are encouraged to assist both teams indiscriminately for the benefit of the game.

It is recommended that in games with one (1) official, the Official stands facing the benches in order to see interchange gate and coaches/teams.

10.INITIAL POSSESSION AND CHOICE OF ENDS

Prior to the start of the game shall be decided by a game of rock, paper, scissors (RPS) between the two captains. The team winning RPS will have the choice of possession of the ball or the choice of ends and the team losing RPS will have the choice which the other team doesn't take. Possession for the start of the second half shall switch.

Possession is to be taken at the centre spot. Play will start on the whistle. Players are allowed to start in any area of the field. The starting player may pass or run with the ball from the centre spot.

11. POSSESSION CHANGE AFTER A GOAL SCORE

After the scoring of a goal, possession of the ball will go to the team against which the goal was scored and shall be taken behind the goal, play commences once the player runs around the goals.

12. GOAL CREASE

Penalty:

Team not in possession if too many defenders are in the crease – advantage played to Team in possession.

If none – Possession shall be taken back to the starting formation.

15. ONE METRE CLEARANCE

- The attacking team loses possession of the ball, or
- The attacking team has lost the opportunity to score on the original play, or

The official shall indicate that such an infringement has occurred by calling "Advantage".

The "Advantage" period is at the discretion of the official. If no advantage is gained, the penalty will be awarded to the non-offending team.

17. BALL TOSS

Used for restarting play after stoppage where no clear possession can be determined by the Official, e.g. on a goal shot, two opponents dead heat to the boundary or scrimmage, mired in mud etc.

Play restarts the ball is tossed to an area of the field with no advantage to either team.
