

## PERMIT FOR U16 PLAYER TO PLAY IN A SENIOR GRADE GAMES

This form must be completed by a junior's parent/guardian and the Club Personnel listed below if an Under 16 player wishes to compete in a senior game. Players eligible to play Under 14 competition or younger are not eligible to take the field in an LV sanctioned senior (open age) competition.

In accordance with Game Day Rules Section 6, Lacrosse Victoria's policy, in relation to juniors playing in senior grades is as follows;

Girls and Boys eligible for Under 16 competitions are not permitted to play in any senior games unless the appropriate form is completed and received by Lacrosse Victoria prior to the participation in a senior game. A permit will only be approved by LV if all designated personnel have signed the form.

By signing this form, the parent/guardian and club is accepting the responsibility for any risk involved in the junior player participating in senior games.

The permit is only valid for one year.

Lacrosse Victoria may at any time during the season revoke a permit should it receive advice of any concerns about the player's capacity to safely continue to participate in senior games.

Further to this, any junior must not play more than two (2) games on any day of competition.

We understand that lacrosse is a contact sport (stick and/or body) and by allowing the above-mentioned child to play in a senior competition, he/she will be competing against adults in non-junior modified competitions. We understand and accept that there may be a significant increase in the level of physical contact and that the player may be exposed to adult behaviours.

By signing this form you are agreeing for the below mentioned player to play in the senior competition for the year of the application.
